## Out of the Hat

The Grade 8 Entrance and Scholarship examinations went off very well with around 115 girls writing. The day ran smoothly and there is great excitement as the scholarships and places are announced.

The marketing department organised a supper for each of the Grade 8 classes. On three consecutive Monday evenings, Ms Tasker, the class teacher, Mrs Bird, Pastor Garden and I had supper with a class. A delicious meal was provided and we played a number of games. The purpose of the evening is for the class to bond.

*Music over Maritzburg* was a great success. We are so spoilt in this community with the calibre of music that we are exposed to. A heartfelt thank you to Ms Janine Theron and her capable pupils for a most enjoyable evening.

Founders' Day was a happy morning filled with Inter-House hockey and netball matches and a hockey match in which the first team took on a team of the Old Girls of 2002. The Old Girls did very well to keep the first team at bay. The firsts won 2-0. The Old Girls' lunch was well attended by Old Girls celebrating a 10-year, 30-year or 55-year reunion. There was a wonderful vibe in the Theatre as we enjoyed the delicious spread put on by TWC caterers. There was a fashion show of ladies' and children's clothes as well.

The Grade 9s had a successful and enjoyable Social last Saturday evening. Boys from Hilton College and Michaelhouse attended. By all accounts everybody enjoyed the occasion and much of the time was spent chatting to each other.

The cellphones appeared only at the end of the evening when numbers and/or pin numbers were being exchanged.

*Funk* is on the go and I look forward to seeing the show. The girls have enjoyed watching their peers performing in the dance sequence.

An interesting e-mail was sent to me about research carried out in New Zealand about families sitting around the dining-room table. I quote the e-mail, taken from the January 2012 edition of *Healthwise* entitled **Teen health and wellbeing and the simple act of sharing a meal** (page 4):

*A new study undertaken by the Families Commission Research Fund has shown how taking the time to share a family meal has surprising health and well-being benefits for young people in New Zealand.*

*Carl Davidson, Families Commission, Chief Commissioner, says, "Teens who eat frequent meals with their family also report better health, including fewer indicators of depressive mood and fewer risk-taking behaviours such as binge drinking, smoking, marijuana use, and inconsistent contraception use.*

*"Our research has shown that despite busy lifestyles and schedules, families who are able to make the time to eat together will see a number of unexpected benefits – the simple act of sharing food and spending time together seems to be a positive activity for our young people".*

*The research used data collected from the Youth 07 national survey of 9017 young people from 96 secondary schools.*

*Students who had more frequent family meals were more likely to report better family relationships and parental monitoring. In addition students who frequently shared meals were also more likely to report that their mum and dad encouraged them to eat healthy foods including fruits and vegetables.*

*"We probably all know that eating together is worthwhile, but this research shows that those shared meals aren't just 'nice to have' but are actually a fundamental contributor to family wellbeing. Students who ate more frequently with their families were more likely to report better family connections, relationships and parental monitoring," says Mr Davidson. "This is a simple activity that families can do to support their adolescents through the transition to adulthood".*

*"Families today are complex and it may be hard for some families to always eat together. When families can make the time, the research shows that there are many associated and ongoing benefits. This research is important not only for my family but many families around New Zealand. Making sure that this activity remains enjoyable, affordable and can happen within time constraints are important."*

The Grade 10s and 11s begin their examinations on 4 June and the Grade 8s and 9s on 11 June. I wish them fruitful learning and fair papers. The examination timetables will be placed onto the D6 Communicator under Resources.

Enjoy the half-term break with your family.

## Community Service Bread buddies

A number of girls have been bringing in sandwiches, left-over bread and rolls on a Monday morning. The donations are dropped off with Youth for Christ for distribution to the Street Children shelters. We feed about 20 kids each Monday – thank you very much. Kristine Davis, Morgan Rowland, Cara du Plooy, Kirsty and Kayla Rautenbach and Terisha Hariparsad are our main supporters.

## EASTER EGG DRIVE

We collected Easter Eggs last term and these were distributed to Reach Out - France community, various Homes for the Aged and The Teddy Bears Picnic (Rotary Function). We also gave each support staff a packet of Easter Eggs. Grade 9V brought in the most eggs and were rewarded with a cake for their efforts.

## KNITTED SQUARES

Thanks to all the gran-nies, aunts and staff who knitted squares for making blankets. The results of the Inter-House knitting drive:

Crookes 43 squares: 4<sup>th</sup> place  
Campbell 45 squares: 3<sup>rd</sup> place  
Moore 145 squares: 2<sup>nd</sup> place  
O'Brien 151 squares: 1<sup>st</sup> place.

However, we need to acknowledge the Library staff who, between them and their resources (family and friends), knitted 150 squares!

We have about 20 knitted blankets to distribute, very ably sewn together by Ms Wood and Mrs Shange.

## INTERACT CLUB

The Interactors have been busy this year. During the 1<sup>st</sup> term the girls made love boxes which have been distributed to Grey's Hospital Children's Wards. This term they have been busy with fabric painted squares for Library Bags for Vezokuhle Primary School. Hannah Edwards will be demonstrating how to make gift boxes from 2 litre coke bottles. The idea is to adopt Sunnyside Park Home for the Aged and to deliver a gift for each resident on his/her birthday.

Rotary has asked each Interact Club to create a mosaic for one of the PMB Children's Home houses. Our girls will be decorating the tiles for *Little Angels* after half-term.

## CLUBS Debating

The PMB league has drawn to a close. We congratulate all those who spent many hours researching and putting together their debates. Best speakers from the last two rounds are: Nicole Player, Divena Naidoo, Kirstin Boshoff, Jabulile Zuma and Jordan Magrobi.

# E NVIRONMENTAL MATTERS

## Bread tags and bags

We have collected 30kg of bread tags over the past two years. We are just 20kg off the 50kg target to get a wheelchair. Please remember to collect these tags off bread and vegetable packs. These may be placed in the large luminous green bucket, at the entrance to the Media Centre. In addition, we are collecting the plastic bags from the Albany bread loaves. We require the whole bag. The bar code is the most important feature. These may be placed in the box next to the green bucket.

## Empty ink cartridges

We are still collecting these and the empty cartridges may be placed in the recycling box in the computer centre foyer. The principle of these collections is to raise awareness of a need to recycle and by doing so, we also assist others.

## ENVIRO QUIZ

Two teams entered the annual quiz, hosted at St Charles. Both teams had fun and our congratulations go to the St Charles A and B teams who came 1<sup>st</sup> and 2<sup>nd</sup> in the Quiz.

L to r: Kathleen Edmonds, Shené Gonlag, Ashleigh Reitz.

L to r: Bianca-Leigh Jones, Siphokazi Mathe, Anna Potgieter, Kelsey Becker.

# G REEN WEEK

The Enviro Council's annual green week will be hosted from 4 – 8 June 2012.

We have arranged a variety of ecofriendly activities for the week, including a civvies day from which the money will be donated to Save the Rhino Fund.

# JUNIOR SCHOOL NEWS

## CONGRATULATIONS

We extend congratulations to Jaco and Leigh Goosen on the birth of their daughter, Olivia, on 10 May. Jaco teaches music and is the Senior School Choir Master and Leigh is a Grade 2 teacher.

Leigh's class are particularly excited about the new baby. The girls created special cards for the occasion. Messages from two are included for your interest:

*Dear Mrs Goosen, It is so thrilling to hear that you are a mommy. I'm sure you will be a great success. I love the name Olivia. I think it suits her. I simply can't forget you. Love Zia xxx (Zia van Niekerk)*

*Dear Mrs Goosen happy Congratulations I hope that you are happy while I am fine at school I am getting good at maths so how is your baby doing is she sleeping at nite. from Lerato. (Lerato Shezi)*

## MUSIC

The Cordwalles Combined Choirs Evening always generates much excitement and this year's choir evening was no exception. Our girls sang two songs, **La Bamba** and **Price Tag** with verve and delight. In addition, their singing was true and reflected discipline and remarkable talent. Leslie Duffy and Kristi Solomon are acknowledged and thanked for encouraging and challenging the girls to give of their best.

Another recent highlight was *Music over Maritzburg*. The Junior Wind Ensemble, under the direction of Janine Theron, are quite exceptional; their playing was spirited and drew high praise. I am very appreciative that all aspects of music at TWC are of a high calibre.

**Participating in the Pre-Primary Music Morning are:**

Jamie Pearce

Georgie Henderson

Kate Archibald

Roxy Thompson

## INCUBATING CHICKS

Little did we realise when we purchased two incubators and acquired 50 eggs (courtesy Vicky Griffin) that awaiting the hatching of baby chicks would generate such excitement and interest.

There has been a steady stream of girls, staff members and parents peering through the peep holes of the incubators awaiting the first signs of life. The looks of incredulity and delight on the faces of the girls as the chicks have been hatching, have been clearly apparent.

The Grade 3 teachers and girls are to be thanked for affording us all an opportunity to learn more about the whole process: of waiting patiently; of keeping the eggs at a constantly warm temperature; of turning them daily; and of the final emergence and cheeping of the chicks.

## FOUNDERS' DAY

During the past weekend, there was an atmosphere of excitement and thanksgiving as TWC celebrated 22 years of existence. The formal proceedings included the Foundation AGM, the Association AGM and Old Girls' Guild AGM.

Old Girls from Girls' Collegiate (founded 1878), Wykeham (founded 1905) and The Wykeham Collegiate gathered to watch sport, enjoy tea outside Rosie's, attend a special Service, and a wonderful luncheon and fashion show.

Michelle Lesur, guest speaker at the Service gave a most informative address. As the Head Girl of TWC in 1990, a current parent and Chairlady of the Old Girls' Guild, she has a wealth of knowledge pertaining to the merger.

Many of us were astounded to hear that prior to the amalgamation, proposed names for the new school included Clarendon Girls' College, Northern Academy for Girls, Hillside Girls' College, Mountain Crest Girls' College and World's View High!

Pru Deenik, assisted by members of the Old Girls' Guild organised a delicious luncheon; the buzz and excitement was palpable. Lady Principal, Sue Tasker, was the guest of honour and her speech was witty and stimulating.

It included details about TWC currently but, as there were large groups of Old Girls present from the matric classes of 1955, 1982 and 2002, she also painted a broad picture of world trends and developments, movies and popular music from those years. Transistor radios, James Dean, Smurfs, My Little Ponies, BMX bikes and Trivial Pursuit were all mentioned.

2012 marks the start of a new era in the history of TWC with Ms Tasker at the helm. There is a mood of optimism as together we embrace challenges, and move 'Forward in Faith'.

## WINTER UNIFORMS

These should be worn by all girls after the 'half-term' break. Tracksuits are not a substitute for the uniform and may be worn only if the maximum temperature is expected to be 16° or 17°C.

We have approximately 20 unmarked navy blue jerseys in 'lost property'. **Please** ensure that all items of clothing are clearly marked, and appeal to your girls to look after their belongings.

### CONGRATULATIONS

Shaunagh Lesur (Gr 7) shows her delight on winning the Shakespeare Literary Quiz held recently.

The quiz was compiled by Sherrel Michie, Junior School Librarian.

## JUNIOR SPORT HIGHLIGHTS

### HOCKEY

Our U10A, B and C, U11A and B, and Open A and B hockey teams played against Athlone on Wednesday 16 May. All seven teams achieved comfortable wins. Our Open A and B Hockey teams took part in a triangular series at St John's on Saturday 19 May and they, too, won all their games. Our Under 11 A and B teams played in the Midi Hockey festival hosted at Athlone on Saturday and won all but one of their games. Congratulations to the players and their respective coaches.

Our U10A, B and C teams played Howick on Tuesday 22 May. The A and B teams won their games and the C team lost.

Congratulations to all the girls and their coaches for the effort and dedication to their sport.

### CROSS-COUNTRY

39 girls competed in the St Charles Cross-Country on Friday 18 May. All 39 girls finished the course and Tessa Foster was placed second in the U13 and Jessica Bompas ninth in the U11 categories. May I remind you that the final Cross-Country meet takes place on Friday 1 June.

### SPORTING ETIQUETTE

May I remind parents, that whilst encouraging their children from the sidelines during a match is wonderful to hear and see, it can be most demoralising and undermining for parents to "coach" from the sidelines. A coach has been allocated to each team and they are there to ensure that the team performs to its best ability. Many times certain drills are done in preparation for a match and all too often parents give their opinion from the sidelines which confuses the players and undermines the coaches. In Primary School sport, the emphasis is on enjoyment, and not necessarily on winning at all costs.

Yours in sport - **Gaynor Weir**

### NETBALL

Our U10A, U11A and Open A and B teams played Athlone on Thursday 17 May with all teams

produced very convincing wins.

As this is our last meet for the year, I would like to encourage the girls who have not yet done a Cross-Country meet to please take part. It is a requirement which the girls were told about at the beginning of term.

## SENIOR SPORT HIGHLIGHTS

### Highlights

- ◆ Netball girls win u18 Challenge
- ◆ 1<sup>st</sup> Hockey girls take on Old Girls team 2002

### HOCKEY

A very exciting morning of Inter-House hockey was had by all, with the senior girls playing full field and the juniors 7 - a - side. **O'Brien** came out with the most points in the senior section, although drawing to **Crookes**. The juniors had a great deal of fun. **Moore** house won all their matches.

TWC's first squad then took on the challenge of playing the more experienced players – the Old Girls of 2002. The match was played in good spirits. Captain, Jenna Jones, did a wonderful job of getting all the girls back again with the likes of Andrea Krusekopf, Hayley Roe-Scott, Jodie Chatterton, Justine Profitt, Tarryn Tenant, Ashleigh Dawson, Charis Hicks (Gilfillan) to name a few.

The Old girls relied heavily on their experience whilst the young bloods used their youthful pace and energy to get around the mature players. The final result – does it really matter?

Perhaps the Monday morning cries of aches and pains will give it away, but what was good to see was after dusting off the cobwebs, remembering which way the stick was held and learning the new rules very quickly, the Old Girls still had that TWC "fight" within them and never gave up (even after begging for a time out just to catch their breaths after a few minutes of play).

TWC Old Girls 2002 vs TWC 1st Team 2012

In the end, TWC were the winners with the girls teaming up to sing a war cry with the school at the end of the match.

### Hockey vs Voortrekker

1<sup>st</sup> won 2 – 0  
 2<sup>nd</sup> won 1 – 0  
 U16A won 1 – 0  
 U16B won 3 – 1  
 U14A won 4 – 0  
 U14B lost 0 – 1

### Hockey vs Treverton

On Tuesday we played against Treverton. Sadly the u16B, C and D matches were called off owing to rain. Well done to the u14A, B, 2<sup>nd</sup> teams for winning their matches.

1<sup>st</sup> lost 0 – 1  
 2<sup>nd</sup> won 1 – 0  
 3<sup>rd</sup> lost 0 – 3  
 U16A lost 0 – 1  
 U14A won 4 – 1  
 U14B won 1 – 0

## NETBALL

### TWC win the uMgungundlovu Netball Challenge

On Saturday, uMgungundlovu Schools' Netball First Teams met to contest the finals of the uMgungundlovu Schools' Challenge.

The competition is divided into *Plate* (previously disadvantaged schools) and *Merit* (former model C, Private and Independent Schools).

Teams each participated in seven, twenty-minute matches. The games were all tremendously close and there were several upsets on the day. TWC continued where they had left off in 2011. The maturity of this team was evident in the way they controlled possession when the games were close. They were once again unbeaten and were deservedly crowned 2012 champions.

### The Final overall positions were as follows:

1<sup>st</sup> TWC 21 points  
 2<sup>nd</sup> St Anne's 16 points  
 3<sup>rd</sup> Voortrekker 15 points  
 4<sup>th</sup> GHS 14 points

TWC 1<sup>st</sup> Team now travels to Durban to compete in the Provincial U18 Challenge on 26 May against the twelve other District winners.

Unfortunately we will be missing five of our players who are returning home for half-term. However, we have brought in U16 players to fill in the team and will try our best to match our outstanding performance in the Umgungundlovu Challenge.

### Matches vs Alex and Carter

Over the last two weeks we have participated in matches against Alexandra and Carter. We survived the onslaught of winter illnesses and absent players to record positive results in most of the clashes.

The results were as follows:

	vs Carter	vs Alexandra
1st Team	Won 45-4	Won 28-7
2 <sup>nd</sup> Team	Lost 6-7	Won 10-2
U16A	Won 35-1	Won 32-0
U16B	Won 10-2	Won 14-0
U15A	Won 20-0	Won 11-5
U15B	Won 9-1	Won 6-1
U14A	Won 15-2	Won 15-5
U14B	Won 6-2	Lost 4-5

### INTER-HOUSE NETBALL

Founders' day started off with Inter-House hockey and netball fixtures. This year was by far and away the most closely contested Inter-House. The standard of Netball has visibly improved and competition was fierce. Having so many spectators, especially staff members, seemed to inspire the girls.

The results were as follows:

### SENIOR (U16 and Open)

1<sup>st</sup> Moore 8 points Goal Average +13  
 2<sup>nd</sup> Campbell 8 points Goal Average +4  
 3<sup>rd</sup> Crookes 4 points  
 4<sup>th</sup> O'Brien 1 point

### JUNIOR (U14 and U15)

1<sup>st</sup> Moore 9 points  
 2<sup>nd</sup> Campbell 6 points  
 3<sup>rd</sup> O'Brien 3 points  
 4<sup>th</sup> Crookes 1 point

## CROSS-COUNTRY

The 4th run of the cross-country season was held at Grace College last week and we were very grateful for warmer weather after a few days of rain. All the girls ran very well on the steep ups and downs of the route and through the plantations around the school. Despite not having many juniors who run in the league, our junior runners have been very committed and have done well against very tough competition.

Alice Finlay was placed 24th and Morgan Rowland 18th. Our seniors had a great race, with four girls placing in the top 20.

Well done to Melissa Dreimeyer (20th), Emma Last (19th), Chelsea Lawrie (10th) and Sarah Dixon (3rd).
