Promoting excellence in education

The Wykeham Collegiate Foundation

Our School

THE WYKEHAM COLLEGIATE

The Wykeham Collegiate (TWC) is a top independent school for girls from Grades RR to 12. TWC is situated in Pietermaritzburg and offers boarding for Grades 4 to 12 pupils.

TWC continues to offer the highest quality, progressive and holistic education based on strong Christian principles in a happy, caring and stimulating environment.

TWC encourages academic, cultural and sporting excellence as well as the development of social skills; emotional development and positive self-esteem.

TWC aims to develop compassionate, confident leaders who impact positively in society and who are accountable for their choices.

TWC pupils are encouraged to be tolerant, and to value diversity. They are taught resilience and to regard setbacks as opportunities and not failures.

TWC strives to enable our pupils to fulfil their potential and to be well prepared to meet the challenges of the modern world.

About the Foundation

HOW TO GIVE

The Foundation Officer on +27(0)33 342 0752 or email foundation@twc.org.za

BEQUESTS

Bequests are tax deductible, and can be made by filling in a Bequest form and attaching it to your will.

How to give

ABOUT THE FOUNDATION

"We Aim to provide The Wykeham Collegiate with a long-term endowment so that it can continue at the forefront of girls' education in South Africa. Our dream is to fund the Foundation to the point where it can sustain its own administration and become a powerful tool for promoting excellence in education at The Wykeham Collegiate." - Board of Governors

The Foundation aims to raise funds to promote the work of TWC in three targeted areas:

To provide access to excellent education for deserving girls from disadvantaged backgrounds.

To provide bursaries for daughters and granddaughters of Old Girls who would otherwise not be able to attend TWC.

To develop outstanding facilities to provide the basis for the provision of world class education for girls at TWC.

It is intended that the Foundation will have an endowment fund, which will receive and invest funds to promote these three targeted areas. The funds will come largely from donations from parents and Old Girls, and from bequests and the like.

Community Outreach

COMMUNITY OUTREACH AT THE WYKEHAM COLLEGIATE

TWC offers our pupils opportunities to make a positive contribution to the lives of those less fortunate. We participate in various community outreach activities which are designed to uplift the educational and social standards of disadvantaged children. These activities include weekly peer tutoring; a reading and writing programme; and imparting computer and mathematical skills.

The President's Award Programme enables our pupils to spend part of their holidays in rural communities, socially interacting with children and playing games and music.

Our pupils teach their peers Grade 12 subjects and aim to improve debating and public speaking skills. They are also involved in renovating classrooms and planting food gardens.

TWC has Junior and Senior Interact Clubs as well as a Grade 12 Community Service Committee which organise regular outreach projects including recycling, Easter egg drives and blanket and clothing drives. Throughout the year, the girls visit children's wards in hospitals, orphanages, homes for the aged and the SPCA. They also support various charities.

All girls are encouraged to give of their time to contribute to the community in which they live as we are keenly aware of the benefits not only to the community, but to each of our girls.

"You give a little when you give of your possessions. It is when you give of yourself that you truly give".
(Kahlil Gibran)
