Dear Parents

## **2021 SCHOOL FEES**

We are approaching the end of a year, the likes of which none of us have ever seen before. Tumultuous to say the least! Many lives were lost as a result of the Covid-19 pandemic, and we pause for a moment to remember those fallen. Our thoughts and prayers are with them and their families. Covid-19 has also taken a devastating toll on our (and the global) economy and resulted in financial distress for so many. TWC, however, prevails and has successfully navigated the many difficulties and challenges presented this year. For this, special thanks must be given to our Lady Principal, Sue Tasker, her management team, and our wonderful staff for their selfless dedication in the most trying of circumstances.

Bearing all of this in mind, our planning for 2021, including the budget, is well underway and the Board is pleased to report that, thanks to prudent, disciplined financial management, TWC remains in a healthy financial state. Once again, we owe thanks to our Lady Principal, Sue Tasker, our Bursar, Cecelia Thomas and her team, and our Board member in charge of finance, Mr Andre de Valence, for their excellent work in this regard.

At a recent Board meeting, the 2021 budget was approved after careful deliberation. This process involved determining tuition and boarding fees for 2021, as well as determining fair, affordable, and deserved salary increases for the school's valued employees. I must add that the budget, given the current financial circumstances of which we are acutely aware, is very conservative. We have tightened the belt and significantly reduced expenses, especially those not deemed strictly necessary in the foreseeable future. We have done what we can to assist our parents, including the rebates and reduced fees already provided this year, and once the financials have been finalised for the current financial year, any additional savings will be given in the form of a credit on their accounts.

At the conclusion of this process, the Board decided that the tuition and boarding fees are to increase on average by 5,5% in 2021.

Parents will also continue to pay a **General Levy** which covers the following costs:

- Hire of text books
- Photocopied notes distributed by teachers
- An allowance for copying and printing for pupils
- Consumer Studies ingredients
- Grade excursions
- Grade 9 Simpler Journey (10-day camp)
- Subject outings related to the curriculum – Day outings (not overnight)
- Wi-Fi access
- Selected local transport
- Elevate Study Skills programme in the Senior School
- Junior Engineers For Africa programme in the Junior School
- Pupil Accident Insurance
- Grade 12 IEB Exam Fees

The fees, levies and other amounts payable for 2021 are set out in the attached Fees Schedules which can also be found on the TWC website.

We do the exercise every year and can confirm that TWC's fees continue to compare favourably with other KZN independent schools. Please note too, that school fees are not used for building projects - these are funded by the Development Levy and other passive income accumulated over time.

Parents are respectfully reminded that school fees are payable on the first day of every term; or monthly by way of debit order from January through to October. All other expenses must be settled within thirty days from date of statement.

Please remember that advance notice of one full term is required should parents intend withdrawing their daughters from the school or from the boarding establishment. Ms Tasker or Mrs Thomas should be contacted in this regard.

On behalf of the Board, I wish you and your daughters everything of the best for the remainder of 2020.

Take care and stay safe and healthy.

Yours sincerely
